

Concorso per titoli ed esami di cui al bando n. TI/GGI/C7/27597 per un posto per il profilo professionale di Collaboratore di Amministrazione di VII livello professionale con contratto di lavoro a tempo indeterminato riservato alle categorie disabili di cui all'articolo 1 della Legge 68 del 1999 iscritte negli elenchi di cui all'Art. 8 della medesima legge, presso il Centro Nazionale di Studi Avanzati Galileo Galilei Institute (GGI) DELL'INFN.

PROVA ORALE

BUSTA 1

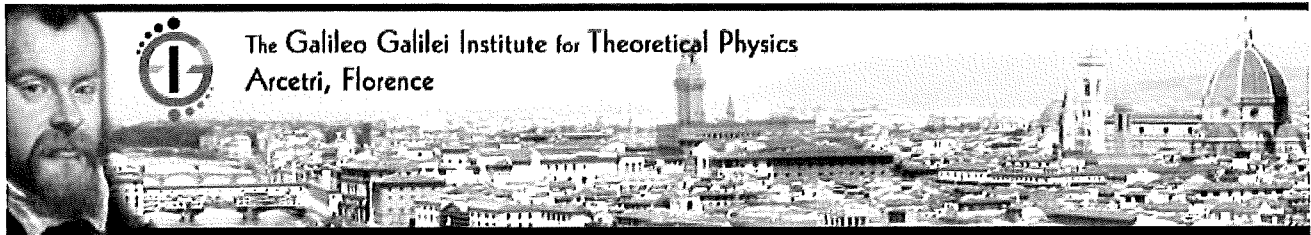

1. Il candidato/la candidata descriva le fasi delle entrate e le fasi delle spese nella contabilità di stato.
2. Il candidato/la candidata descriva che cosa è il CIG e a cosa serve.
3. Il candidato/la candidata descriva le caratteristiche della PEC.
4. Il candidato/la candidata legga e traduca il testo in lingua inglese in allegato.

PRATICA N. 2384

Florence, February 4th, 2025

Dear Prof. ,

It is our pleasure to invite you to our scientific program *"From Asymptotic Symmetries to Flat Holography: Theoretical Aspects and Observable Consequences"*, which will take place at the INFN Galileo Galilei Institute for Theoretical Physics (INFN GGI), National Centre for Advanced Studies, in Florence, from May 19th to June 20th, 2025.

Gravity theories share rich universal features. The proposed workshop aims at exploiting this rich and timely topic to bring together experts from all over the world, together with young researchers and students, with the goal of providing training, share results, build common grounds and foster new collaborations.

Information on the scientific program can be found at <https://www.ggi.infn.it/showevent.pl?id=510>

According to the indication given by the organizing committee, **you are cordially invited to participate from May 19th to June 20th, 2025.**

We kindly ask you to confirm your participation for the indicated period, by sending an email to ggiw2@fi.infn.it at your earliest convenience.

The INFN GGI organization will not provide you any financial support.

If you have any further questions or concerns, please do not hesitate to contact us.

With best regards,

The INFN GGI
Director

PRATICA N. 2374

Florence, January 29th, 2025

Dear Prof. ,

It is our pleasure to invite you to the scientific program "*Foundations and Applications of Relativistic Hydrodynamics*", which will take place at the INFN Galileo Galilei Institute for Theoretical Physics (INFN GGI), National Centre for Advanced Studies, in Florence, from April 14th to May 16th, 2025.

This workshop aims to bring together physicists from diverse fields: those applying relativistic hydrodynamics to heavy-ion phenomenology and astrophysics, alongside researchers focused on its theoretical foundations.

Information on the scientific program can be found at <https://www.ggi.infn.it/showevent.pl?id=517>

According to the indication given by the organizing committee, **you are cordially invited to participate from April 16th to April 29th, 2025.**

We kindly ask you to confirm your participation for the indicated period, by sending an email to ggiw1@fi.infn.it at your earliest convenience.

We understand that you ask for accommodation support. The INFN GGI organization offers housing service. Please communicate your preferences to: GGI BOOKING SERVICE - <https://congressflorence.it/>, Email: ggi@orologionetwork.it, Phone: (+39) 331 6299643.

We will directly pay 1.400,00 € (tax free), as ACCOMMODATION IN PARTNER HOTELS. In

addition, we will reimburse you up to 1.000,00 € (tax free), as TRAVEL EXPENSES. (*)

If you have any further questions or concerns, please do not hesitate to contact us.

With best regards,

The INFN GGI
Director

*) Note that we need your ticket receipt and boarding passes for internal bureaucracy.

Handwritten signatures and initials: "ALC", "See.", "JR", and a large circular stamp with "GR" inside.

PROVA ORALE

BUSTA 3

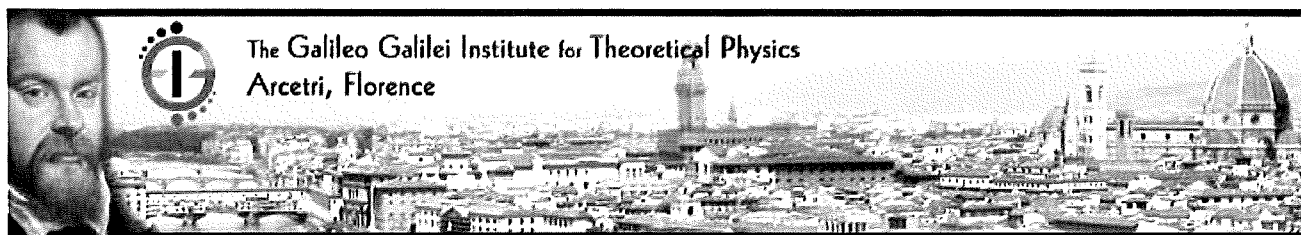

1. Il candidato/la candidata descriva cosa sono i residui attivi e i residui passivi.
2. Il candidato/la candidata descriva cosa sono il mandato di pagamento e la reversale di incasso.
3. Il candidato/la candidata descriva come, in un file Excel, si crea un comando a tendina contenente un elenco.
4. Il candidato/la candidata legga e traduca il testo in lingua inglese in allegato.

PRATICA N. 2234

Florence, November 2nd, 2024

Dear Dr.

It is a pleasure to invite you to the winter school "*Frontiers in Nuclear and Hadronic Physics 2025*", which will take place at the INFN Galileo Galilei Institute for Theoretical Physics (INFN GGI), National Centre for Advanced Studies, in Florence, from February 17th to February 28th, 2025.

The school is primarily addressed to Ph.D. students in Theoretical Nuclear and Hadronic Physics. The participation of experimentalists and post-docs is also encouraged. The 2025 edition will provide a pedagogical introduction to the basic concepts and tools needed for carrying out research in nuclear structure, nuclear reactions and nuclear astrophysics. The lectures will emphasize the intimate connections among these fields, giving much attention to the interpretation of experimental data. Various theoretical frameworks for the study of nuclear systems will be presented, including both "ab initio" and phenomenological approaches.

Information on the scientific program can be found at <https://www.ggi.infn.it/showevent.pl?id=494>

According to the indication given by the organizing committee, **you are cordially invited to participate from February 22nd to March 1st, 2025.**

We kindly ask you to confirm your participation for the indicated period by sending an email to GGISchool3@fi.infn.it at your earliest convenience.

You are also invited, to give a seminar entitled "*Exotic Spectroscopy*", on

February 26th, 2025.

We understand that you will cover the travel expenses with your own funds.

We will pay 900,00 € (tax free), as ACCOMMODATION IN PARTNER HOTELS.

In addition, we will reimburse you up to 240,00 € (tax free), as MEAL EXPENSES (MAX 30 EURO/DAY). (*)

If you have any further questions or concerns, please do not hesitate to contact us.

With best regards,

The INFN GGI
Director

(*) Please note that we need receipts to be able to refund them
